Welcome Fall Frolickers!

Socially Speaking... The lobster last weekend was *fabulous* as was the steak and the chowder by all reports (and the hefty sampling that I personally undertook as my duty). Best table decoration went to **Deb, D Too, Jutta & Betty**..very festive with pumpkins and mums and real dishes. They each get a **free** breakfast for their efforts. (Mind you that does not include the tip!) Thanks to **Chef Kenneth** for perfectly cooked

steaks and appropriately steamed lobsters. **Molly & Taylor** did a fine job waitressing and thank

you all for their tips. The weather cooperated as did the beautiful sunset. I understand the **alley crew** had their own

feast that featured pork and taters, sauerkraut and keilbasa (thanks for mine, **Mary** - it was delicious) We were all just eating fools!

Dave gave us quite a scare on Saturday suffering a seizure at **Matt's**. He was taken to the clinic by ambulance where he was treated and released that same night. He was home resting comfortably on Sunday when I talked to **Cathy**. Thanks to my campers for their help and concern. **Mary** and I have passed each other on the Tartia Road walking path this week. Good work **Mary**!

Electric bills are in and Monthly payments due!!!

Speeders: I am reinstating the speeding infraction because almost *all of you* are **SPEEDING** on your golf carts and a few are letting under-aged drivers behind the wheel. Stop it. There is a \$2 fine per occurrence & your name gets posted. After two you lose your golf cart privileges. Seriously.

Thought for the Day:

If it weren't for marriage, men would go through life thinking they had no faults at all... wouldn't that be silly.
