Socially Speaking:

I keep forgetting to mention that **Ken & Shirley's** azalea bush was spectacular this year in full pink. As well, **Cathy & Debbie's** corner is sweet.

The wedding of the century was granted a dry run on Saturday with **Brook** as the minister and **Brianna** as attendant overseeing the wedding of **Kelly & Fran**. The occasion was complete with champagne toast and a Markham Meadows Matromonial proclamation. All the girls looked lovely in their prom attire and the corsages and wristlets made in **Carol's Crafts** were elegant.

The candy making class with **Tina** was a hit and a tasty one at that. Next week she has another edible treat in mind for Father's Day as does

Carol for crafts. Thanks to **George** (the **King** of decoration) for dressing the rec hall for all occasions.

Remember that golf carts and bicycles need to park on the far side of the pool.

Coming Up: Father's Day and the famous **Men's Beauty Contest...**prizes for best legs etc. Get out there men! Strut your stuff!

The Pool is open from 10 a.m. until 8 p.m. Please follow all posted rules and NEVER send your children there alone.
