

MMC TePee Talk

VOLUME 23
ISSUE 5
MAY 16, 2014

Spring has finally sprung at MMC. Nancy Clark's magnolia tree is in full bloom as are Nancy's tulips. Yeah!!!

Pot Luck & Yankee Swap!

I have to remark on the work you have all done to your sites. **Cathy & Debbie's** site is adorable; **Kingland's** new deck is great; **Roger's** site is slowly returning to its former glory; **Nancy's** new grass is very green; **Cole & Margaret** looks great again & **Larry** has some cool vases on his steps??

Thanks to **Cole, Mikey, & Dave** for getting **Doreen's** golf cart back in traffic! Thanks to **Doug** for all the mulch!

The winners of the Biggest Loser Challenge were: **Tina** losing 29.4 pounds followed by **Jay** who lost 29! They split \$450!!! Congrats to all!

We bid farewell to the Flingers and look forward to them returning as Frolickers in the fall. I promise it will be drier then!

WiFi: In an effort to speed up the internet campers east of the office should log on to "Field Side" while those of you west of the office should log onto "Pond Side." Additionally, streaming videos takes extra band width—causing everyone else to experience poor service.

Golf Cart Etiquette: Remember, people and cars have the right away. Park carts in visitor parking or at your site. No-one under 21 may ever drive one. No drunk driving or you lose the cart privilege forever :(

Happy Birthday to:
Jason Mowatt 5/18!
