"Landon come lately" finally arrived to help

Thanks to My Mudders...

Who worked hard to clean the mess THEY made last fall. I appreciate their hard work and their comraderie.

It was fun, actually! Kaden gets the award for best worker followed closely by Beau, Tanner, Tula, Hunter, Teddy, Colton, Brooke, Callie, Landon & Harper. Special thanks to the kids who helped their friends! And, to Jen for the sponges!

#mykidsarethebest...sometimes
