Ms. Cole Reigned Supreme...

But all our men did a GREAT job! Kind of scary!

Rich takes trailer trash to a new level of beauty (love the stockings), Dave is disturbingly pretty in basic black (which never goes out of style), Cole has a red-haired Stevie Nicks quality about him that is also unnerving. Kevin has obviously had ballet training but skipped hat technique.

Good looking men don't always translate into good looking women...except here at MMC where some of our men look BETTER as women! This was by far our best show yet—great imaginations. More prizes next time, I promise. You ALL should have won!

The "Men" strut their stuff!

Mikey went for a tastefully classic office-to-evening look.

Lee doesn't quite know what to make of Benson who was a superb geriatric!

Lawn Mowing

Seasonals are responsible for mowing their lawns. And they need to be done. If you have no desire to mow contact Mike on #24 and pay him.

Notice: Every year it seems I have to issue a stern reminder about private property and midnight marauding. Here it is: entering another's trailer is breaking & entering punishable by arrest at worst and eviction at best. Public drunkenness (even at 1 a.m.) is also grounds for eviction. As I used to tell all my boyfriends—watch what you do because I *always* find out. And I did. No second chance on this one girls.

Things to Note!

WiFi: Campers east of the office should log on to "Field Side" while those of you west of the office should log onto "Pond Side." Additionally, streaming videos takes extra band width—causing everyone else to experience poor service.

Quiet hour is strictly enforced at 11 p.m.
