## Welcome Summer Season 2021!!!

### What's New Around Camp?

Many of our sites have been enhanced with trees removed, stumps ground and new dirt & seed. Please be gentle with the new grass and give it a chance to grow. As well, you all have driveways, NO street side parking.

If you can see both ponds from ALL sides it is because we spent a good deal of time last fall removing cat tails!!!! Fingers crossed they stay away.

Additionally, I think ALL the trees you were worried about (and a few dozen others) were cut down this spring. We should be free from worrying about falling branches.

There is fresh sand at the playscape and it has been outfitted with all new hardware. Thanks to Sal for installing it and Chris for pointing it out!

We still have mud...so be careful where you park. **Stay on the road** and do NOT go around the speed bumps with your golf carts or cars. Ever.

I have ordered tents for the patio to replace the ones you all donated last year (that were ruined in the damn wind!)

Our first event will be on Mother's Day weekend with Friday & Saturday night Bingo. The Back Door will open that weekend as well!

Sign up now for automatic pump-outs:  
**Weekly = \$375 and begins May 4**  
**Every Other Week = \$195 & begins May 11.**

**The rec hall will be closed Sunday at noon for a private event.**

### Where are we with COVID????

**Shots or none...(though I am hoping you all get one) we are following these safety precautions:**

- **Masks should still be worn in the office**
- **Limited seating in the rec hall. I prefer you sit outside**
- **Games and pool table may be used** 😊
- **Please Do NOT pour your own coffee**
- **Bingo & entertainment will occur at the doorway**
- **Pool bathrooms will be open daily**
- **Main bath house & laundry remain closed**
- **Pot lucks will NOT happen this year** 😞

**Thanks for complying with our safety rules!**

### In sad news...

Winter & COVID were not kind to many people and our camping family was no exception:

**Marge Bernhardt**, site #S2, died in February. She had recovered from surgery only to develop COVID. Our thoughts are with her family who we are happy to report will continue to camp.

Our very own **Ruthie Flemke** died in February. She was 97 and passed peacefully in her sleep in her home surrounded by her family. She was a staple at MMC for MANY years ~ as a camper, an avid Bingo player and a good friend. Her family is doing a private funeral here for her on Sunday.

I will start the season off with a reminder, but I will enforce it with a dog expulsion. Really.

**No BARKING DOGS**

### Office Hours:

**Monday thru Thursday:**  
9 a.m. to 1 p.m. and 3 p.m. to 6 p.m.  
**Friday & Saturday:**
