Socially Speaking...

Happy Birthday to Sandy Lockwood on Saturday and Happy Anniversary to her parents, Doug & Cheryl Logan, who celebrated 44 years on May 27th! Clyde & Lenore LaForge celebrated 55 years on May 30! What is their secret?!!! Kudos to our VERY hearty campers who braved the rain and the frigid temps to camp last weekend and especially to those who helped their fellow campers with heaters! And *now* it is summer:!

We Had a Blast Despite the Rain!

It takes more than that to keep us down! Carol was simply out of control! Tina's chicken parm

sandwiches were delicious at lunch! The Moore's

family enjoyed the band and the Shepherds stopped in to join Karen & have some fun!

On Sunday the Czajkowski family rocked the room!

ELECTRIC BILLS ARE overdue....please stop & pay!
No decorative stones, please! I can't mow them well.
