**T**his weekend we will indulge in not one but TWO nights of Bingo!  
Get your snacks, man those dobbers and prepare to win the Big Pot!

I am disappointed in the cool weather but it sure makes for some green leaves and robust plants. Tonia's clematis is lovely...I see Sandy & Sheryl have added a fountain to their plantings... Gary Raymond's site (90) is the envy of the campground. With the Steven's gaining ground. Marsha's roses & irises (at right) are blooming...Sue's grass is growing finally (Sue spent more money on grass seed than I did)...the irises at Teddy's, at the pool and elsewhere are magnificent this year...

Thanks to my expert staff for holding down the fort while Ray & I went camping for a few days. We took MacBeth and Xena this time. They were great campers until their mother locked them AND the keys in the car. Did you know AAA puts you on a priority list when you lock pets in the car? They were rescued in short order.

## Inspection Update:

The backflow preventors are on! Please LEAVE them on. We are working on correcting all gray water drains. Please leave those alone as well. No plastic pipes allowed. Thanks!

**NEW electric bills are in...However, the following people still**

owe for **LAST** month: 22, 25, 49, 50, 51, 52, 55, 68, S1, S2, 72, 85, 88, & B. Owing for **LAST September** are: 47, 49 & 68. Please **PAY UP**.

## Things to Note!

**WiFi:** Campers east of the office should log on to "Field Side" while those of you west of the office should log onto "Pond Side." Additionally, streaming videos takes extra band width—causing everyone else to experience poor service.

## Golf Cart Etiquette:

Remember, people and cars have the right away. Park carts in visitor parking or at your site. No-one under 21 may ever drive one. No drunk driving or you lose the cart privilege forever :(
