

April Showers Bring **May** Flowers!

Office Hours:

Friday 'til 7 p.m.
Saturday 11 a.m.-8 p.m.
Sunday 9 a.m.-2 p.m.

*Yes, it **COULD** be colder!!!*

Visitors MUST stop at the office and pay the fee...\$10 per person per day, \$15 per person overnight. I have decided this year to try a **Visitors Pass Book**. Purchase a page of 10 passes for \$80 instead of \$100. An overnight guest will cost you TWO passes.

Speeders will be asked to leave the campground. **Period.** There was way too much of it last weekend and I will not tolerate such blatant disregard for safety.

**Quiet Hour is STILL
strictly
enforced at 11 p.m.**

Socially Speaking... Happy Birthday to **Jutta** on Sunday! *If I have missed your name it is because it is **NOT** in the book. Please stop at the office and add it!*

Have a problem???? If you have a problem please notify the **OFFICE** - do **NOT** go to Ray's garage or stop us on the road unless it's an emergency. The "To Do" list is in the office and your request will be recorded and taken care of! We will get to your problem promptly and are committed to making your summer a **GREAT** one!

****Please catch up
with your payments
or you may **NOT**
camp. *****

It may have been a chilly start to the camping season but we here at MMC are a hearty lot and camping went on as usual...including the brave barefoot Ben!
