Celebrating 53 years of Camping Out!

Published Weekly by the Back Door Publishing Company, East Hampton, CT

There have been GLASS bottles at the pool. STOP immediately. A Huge NO NO NO.

We were flowers and flags at KidStuff this weekend! Aspen actually sat still.

Noah, Camden & dad Ryan enjoyed the pond...as did Connie with Montana & Dakota!

There was no shortage of patriotism at MMC! Henry, Mary & Guy stepped it up a notch this year!!! Love the shoes!

A very special Thank You to all our MMC family for their thoughtfulness, generosity & concern on the loss of Elaine...
